
AML
Securing the right solutions
for all your maritime needs

About Us

AML was founded in 2002 with a passionate and determined spirit to drive one mission, to offer an exceptional quality service while providing the right solutions for our customers in the yachting industry.

Our services cover a multiple of disciplines. We offer solutions including yacht and crew management, registering yachts under the Malta flag, yacht importation, setting up yacht leasing structures, corporate governance and accounting, legal and technical support. Everything we do is provided directly by our inhouse team, based in Malta, who have a deep knowledge of the industry

Our answer to an exceptional service is based on our belief of being an extension to your business. Your challenge becomes our challenge; equally personal and concerned. For over 20 years this is our legacy we have built and deliver every, single day.

Malta Flag Registration

The Malta Flag needs no introduction as it is the flag of choice by many yacht owners. Our passionate team of experts in AML's registration department, some of whom have a seafaring background, give owners a value added and personalized service, through their deep knowledge of the industry.

AML handles the entire process of registration of both private or commercial yachts including assistance with surveys and other technical matters where needed. AML also assists owners with the conversion from private to commercial registration.

Benefits of registering under the Malta Flag:

- High quality EU flag with more than 40 years' experience
- Competitive yacht registration fees
- Tonnage tax for commercial yachts
- Low company formation costs
- Straightforward and quick registration procedure
- 24/7 service for urgent caases
- No restrictions on the nationality of crew
- Small Commercial Yacht Code for yachts between 12m < 24m
- Commercial Yacht Code for yachts > 24m
- On the White List of the Paris MoU and Tokyo MoU
- Malta is a party to the major International Conventions
